Ultimate Workflow

Impressia Digital Multi-Media Print Systems are the affordable way to go digital and meet the demand for fast full color letterhead, cards, envelopes, forms, brochures, mailers, labels, banners and more. Now you can print on a wider variety of media and sheets sizes, so you can produce more in-house, and on-demand. The complete digital solutions are driven by the iQueue Ultimate Workflow that automates prepress production, from multiple user workstations.

Improve In-House Productivity

Impressia Digital Multi-Media Print Systems allow you to do more for your customers, in-house
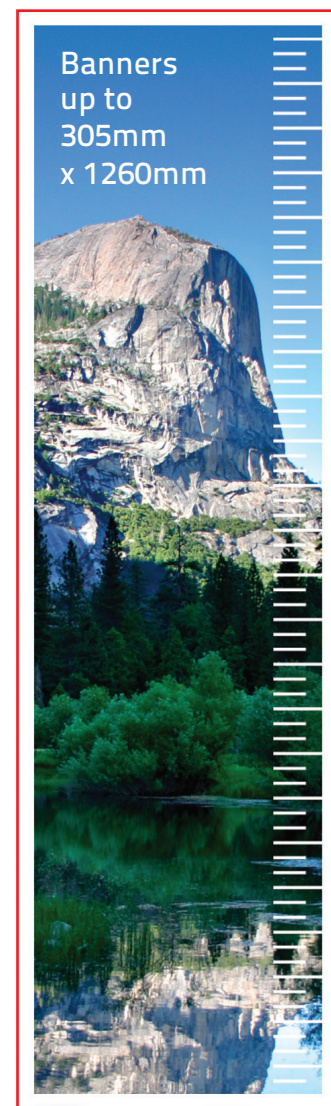

- Allows you to print on a wider variety of media and in a wider range of sheet sizes.
- Dramatically improved print speeds with a standard 80 GB Hard Disk Drive (HDD).
- Up to 78 full color envelopes per minute (4,000 an hour)*
- Features a lower cost per sheet, so you reduce production cost, while you increase profit margins.
- Run full color jobs including variable data in one pass.
- The iQueue Ultimate Workflow automates prepress production and provides critical color adjustments.
